

## Pettaquamscutt Lake Shores Community Volunteer Opportunity – 2018 & 2019

Parker Harrison, a 7<sup>th</sup> grade student at NPS volunteered his time for the National Junior Society. He decided to do a neighborhood clean-up after noticing trash in empty lots and on the side of the roads from the weather and garbage bins when he walks his dog.

He thought it would be a nice community service for our neighborhood.

Thank you Peter!
